

IF IT'S STRANGE,
IT'S PERFECT.

THE PERFECT FINISH IS THE START OF A BEAUTIFUL HOME

The colors and textures of your home's décor are an expression of you. And behind the furniture and accessories are the walls and trim, which form the background of your lifestyle. A superior paint job enhances everything in your home. And a Strange paint job is perfection.

Strange Painting Is Your Source of Perfection

Strange Painting is the choice of discerning homeowners who demand the best. Our commitment to uncompromising quality from start to finish means a job completed to the highest standards—yours as well as ours. We do it right or we don't do it at all.

We Start with the Best

The finest paints, the proper tools, skilled craftsmen, and attention to painstaking detail ensure unparalleled quality for years to come. From surface preparation to cleanup, every job we do is treated like the most important job we'll ever do.

“The finest paints, the proper tools, skilled craftsmen, and attention to painstaking detail ensure uncompromising quality for years to come.”

YOUR COLORS, YOUR LIFESTYLE

Strange Painting specializes in the interior and exterior painting of luxury homes. We don't do cookie-cutter rush jobs and we don't cut corners. Beyond enhancing your home investment, a quality paint job is the foundation of the décor.

Choices of contrasting and complementing colors are important, but so is the application of the right paint over a properly prepared surface.

Strange Advice Is Perfect Advice

It's your home, but our expertise can mean the difference between perfection and close enough. We can explain your choices clearly, recommend different approaches, and help meet the various requirements for wear;

“You’ll find that Strange Painting is refreshing in our ability to provide timely delivery of services and in living up to our promises.”

Uniquely Reliable

washability, life, and finish. We can provide design assistance, or collaborate with your interior decorator to coordinate design, colors, and textures.

You’ll find that Strange Painting is refreshing in our ability to provide timely delivery of services and in living up to our promises. Count on us to start a job on schedule and to finish on

schedule. We want to create relationships for life—to become your painter and your partner in making your house your home.

BEYOND PAINT, BRUSHES, AND ROLLERS

Our commitment to perfection means we'll do what it takes to ensure quality. We never paint over flaws and weaknesses; we're skilled at making the repairs needed to achieve a reliable,

paintable surface. If a repair requires specialized skills, we have a network of highly experienced craftsmen to handle it properly.

More Than Painting

While you're getting your home painted, you may need other repairs, changes, or upgrades. And we'll get it done for you—with the same high standards so you'll know it's done right. Plumbing, carpentry, carpeting, roofing,

“Plumbing, carpentry, carpeting, roofing, electrical work, and interior design—we’ll coordinate and provide everything you need.”

The Perfect Start

electrical work, and interior design—we’ll coordinate and provide everything you need, so even tight deadlines are no problem.
